

BURLEY PARISH COUNCIL

CORONAVIRUS AND BPC MEETINGS In these unprecedented times we have all had to make adjustments to the way we are living and working. There has been no full meeting of BPC during April. Government legislation has now come into force meaning that Councils are now able to hold meetings remotely where possible, to be able to maintain social distancing whilst continuing with their Parish responsibilities; BPC is currently investigating the practicalities of how this would work. Meetings would remain open to the public most likely by access via a Skype link or teleconferencing. Details will be given on a relevant agenda displayed on the BPC website (the usual 3 clear days' notice will be given). Any member of the public, having an interest in the affairs of the Parish of Burley, may also raise points of relevant concern with the Council and discuss matters with individual councillors/the clerk via phone or email; contact details are available on the BPC website. Significant local matters in hand will continue to be notified in the Burley Village Magazine.

EMERGENCY PLAN - COVID-19 (CORONAVIRUS) The Parish Council thanks everyone for their magnificent response. Our thanks particularly to: Jayne of Burley Good Neighbours, Maureen at the Doctors' surgery, Peter Egerton our Emergency Plan coordinator and our army of helpers. You may have seen in the media that the Government has set up local hubs to do what we have been doing. This will not supersede our Parish Emergency Plan so please carry on doing what you have been doing to help. For further information please contact Cllr Peter Egerton on: 07836 232115.

BURLEY PARISH COUNCIL SENDS THOUGHTS AND BEST WISHES TO ALL RESIDENTS OF BURLEY AND THEIR FAMILIES - STAY SAFE.
