ROADS AND TRAFFIC -Hampshire Highways (HH) will be surveying the Ringwood Road Pinch Points and will make recommendations following the repeated collisions that happen at these points; we will keep you updated of any developments.

A major replacement project is due to start in 2020 at Holmsley Railway Bridge. A new concrete bridge will be constructed next to the current bridge and the road re-routed during the works. Cllr Martin will meet the Project Manager from HH over-seeing this at end of the month to discuss disruption to traffic.

Pothole repairs are ongoing: inclement weather and salt on the roads have increased the number of potholes appearing. Members of the public can report potholes to HH as they appear. **Please help us to speed up the reporting/repair process:**

CYCLING EVENTS For your information: the following events are routed through Burley, 13/14th April - UK Cycling Event and 30th March - the Wiggle.

FLAG FLYING Following the Council meeting on 9th Jan, BPC had asked RBL Burley Branch for their recommendation as to whether the village should fly the Union flag continuously or on designated days. RBL recommended continuous flying and would make themselves responsible for replacement flags as appropriate. BPC had said that it would be happy to follow the RBL recommendations. The Chairman also had discussions with Mrs Jeanne Wilde, who had for many years been responsible for raising and lowering the flag but had decided she would retire. BPC thanked Jeanne for her sterling work in looking after the flags over the years. Mr Roger Hutchings has agreed to be the Village Flag Master, responsible for the raising of Home Nation flags, Armed Forces Day flag and other agreed flags on designated days. He will hold spare flagpole keys and install a key safe for times when he is not available. Chairman has handed over two spare keys to Roger. Some Villagers have said that they would prefer that the flagpole were located over the road where the new post box is located and not so close to the Cross which is now a Listed monument. BPC decided that this might be considered at a later date.

LENGTHSMAN The Lengthsman has been clearing ditches to keep water flowing and prevent flooding as much as possible. He will also be continuing to litter pick from Picket Post through the village. If you have spotted any other jobs that need doing around the village please contact clerk@burleyparishcouncil.gov.uk

SPRING LITTER PICK BPC will hold its usual Spring Litter Pick on Sunday 28th April 2019, starting at 2.30pm outside Burley Primary School. Equipment will be provided.

NEXT MONTHLY MEETING The next monthly meeting will be Wednesday, 13th March 2019 at 6.30pm in Myrtle Hall.
