

BURLEY PARISH COUNCIL

Burley Parish Council met on Wednesday 11th January. Draft minutes are available on the council website:

www.burleyparishcouncil.gov.uk.

County council Cllr Keith Mans updated reported on highways repairs where emergency interim repairs are being made to pot holes expanding until permanent repairs can be made. Cllr Mans is also pushing for early restitution of local roads following the Holmsley bridge works.

Annual Assembly There are parish and district council elections in May, consequently the council has decided to hold the Annual Parish Meeting earlier than usual on Monday 17th April.

Coronation Celebrations The council plans to plant some trees to mark the coronation of King Charles III. We would also like to hear from any organisations (social or commercial) which plan celebrations. Grants may be available for suitable projects.

Greening Cllrs Hedge and Bramley continue to work on establishing a recycling shed and on other activities to support the Burley's green credentials.

Public Spaces Protection Order Council has responded to the district council's PSPO consultation on BBQs and feeding animals, supporting the introduction of these regulations but with concern that much of the open space in Burley is excluded from the regulations on fires and BBQs.

Affordable Housing The council continues to support NFNPA's plan to build some affordable houses in Burley and understands NFNPA hopes to deliver two houses in 2023.

Planning Land and housing development continue to occupy much of the council's time. Cllr Clarke successfully represented the council at an NFNPA planning meeting where he persuaded the committee to refuse an application detrimental to the New Forest vernacular, overriding the planning officer's recommendation. This demonstrates why the council is a statutory consultee and justifies the time spent.

Decisions communicated by NFNPA

Application No. Address	Proposal	Decision (BPC Recommendation)
22/00629 Burley Manor Hotel, Ringwood Road	5no. shepherd huts; 6no. car parking spaces; associated landscaping and works (demolition of existing outbuildings)	Grant (None)
